**About the studying of international  
students of the Academic and Research  
Medical Institute**

The heads of relevant departments to organize from 23.02.2022 for international students outside Ukraine, studying all courses in “Medicine” (“General Medicine”) and “Dentistry” specialties by remote (online) mode, according to recommendations of some embassies of foreign countries, requests of some students and their parents.

For international students who stay in Ukraine, continue studying all courses in “Medicine” (“General Medicine”) and “Dentistry” specialties in full-time (offline) mode. Before returning all students to full-time mode, the Dean’s office formats a temporary composition of groups and steams following the form of study.

For the successful completion of students’ licensed integrated exams “Krok” and the final activities of the semester control, set the following deadlines for the return of all international students for full-time (offline) study:

- April 1, 2022 – for 6<sup>th</sup>-year students in “General Medicine” specialty (12<sup>th</sup> semester) and 3<sup>rd</sup>-year students in “Dentistry” specialty (6<sup>th</sup> semester);
- May 2, 2022 – for other international students.
